## Lesson 1

### Gifts of the Spirit

**Lesson Objective.** To provide an overview of the Gifts of the Spirit and the manifestation of New Testament miracles.

#### **Lesson Overview.**

Spiritual Gifts are one of the most misunderstood topics in the New Testament. The Lord said His people perish for a lack of knowledge. The Bible says that even Jesus studied the Word, and when He did, he grew in wisdom and stature, and in favor with God and man. Without a direct deposit of the Word, you can't have divine revelation, utterance, and the ability to walk in power and demonstrations. Christians must study and rightly divide the Word, to show themselves approved unto God. The Word says to earnestly covet the gifts and ask in faith, believing you have received them.

The gifts are to equip the believer to walk in the supernatural and in the power and demonstration of the Word. The Word says that there are a diversity of gifts and manifestations, but they all come from the same Spirit. It also says these gifts are for the perfecting of the saints, for the work of the ministry, and for the edification of the body of Christ. Therefore, while we seek the gifts, they are not for us personally, but for the benefit of others.

There are nine spiritual gifts, or ways that the Lord manifests Himself. These gifts can be broken into three major categories. They are the revelation gifts, the utterance gifts, and the power gifts. Christians normally fall short in the power gifts because they won't allow God to work through them. To see the manifestation of these gifts in your life, you must stir the Holy Spirit resident within you. Until you get a revelation of the identity and power within you, you

will not walk in the supernatural gifts. This revelation can only come from an intense study and proper division of the Word, and an intimate prayer life.

## Lesson 2

### **Power and Demonstration Flowing in the Holy Ghost**

**Lesson Objective.** To understand how to flow with the Holy Spirit.

**Lesson Overview.**

The Word says to trust in the Lord with all your heart and not to lean on your own understanding. We must learn to trust in the revelation knowledge of God's Word and not the natural. We know that we are more than conquerors all the time; sometimes we just don't know how our miracles will be manifested. The Word tells us that our faith should not stand in the wisdom of man, but in the power of God. The true gift that God gives us is the Holy Spirit. What we consider gifts is simply the manifestation of the Spirit.

As a believer, you should pursue an intimate relationship with the Holy Spirit. The reality is that there is no Gospel, or good news, without the Holy Spirit. Jesus said I must leave, but my Father will send you a Comforter. It is the Holy Spirit which leads you in all truth, and allows you to walk in power and demonstrations with signs following.

You can not flow in the anointing if you are not filled with the Holy Spirit, and you can not be filled with the Holy Spirit if you are filled with doubt and unbelief. Nothing will stop the flow of God in your life quicker than doubt or unbelief. The Holy Spirit will only move when you have completely yielded yourself and are free from certain emotions, such as doubt and unbelief, which only serve to suppress Him.

The Word tells us to stir up the gift that is within us. We need to allow the Holy Spirit to lead us beyond what we think or know. Remember, you are the only person who can stop the move of the Holy Spirit in your life.

## **NOTES**

### Lesson 3

## Power and Demonstrations of the Holy Ghost

**Lesson Objective.** To understand how to flow with the Holy Spirit.

**Lesson Overview.**

Jesus could not do one miracle without the anointing. We too can not experience God's miracles without the anointing. In order to operate in power and demonstration, the believer must abide in the anointed one. Christ and the Word are one. The Word says that if you abide in me, and my words abide in you, you can ask what you will and it will be done unto you. With proper division of the logos, or written word, the believer can accurately flow in the Holy Ghost, because he knows the will of God. Through the avenue of wisdom and revelation that comes from God's Word, we can receive and claim the benefits of the glory and power of God's anointing. The Bible says that Christ in us is the hope of glory, and we are partakers of His divine nature. Once we have a revelation of this truth we will walk in power and demonstration.

We must do two things to live a supernatural life. First, we must be obedient to the Word, and second, we must allow God's Holy Spirit to control us. We must labor to enter into His rest through the sacrifice of prayers and praise. We must learn to cease from our works so that we can flow with the Holy Ghost. Experiential faith and anointing can only come through intense fellowship with God.

Jesus said, I always do the things that please my Father. In other words, He made the Father's priority His priority. We need to learn how to make His priorities our priorities, so that we can do His will. The Apostle Paul said that our faith should not stand in the wisdom of men

but in the power of God. That power, or the anointing, is resident in each believer, and is released through faith.

## Lesson 4

### Power and Demonstrations of the Holy Ghost

**Lesson Objective.** To understand how to do the works Jesus commissioned us to do through power and demonstration of the Holy Ghost.

#### Lesson Overview.

The kingdom of God is not in eloquent speech, but in power and demonstration of the Holy Ghost. When the Word of promise is preached, it develops an expectation in those who hear. People receive on the other end by faith. Faith comes by hearing and hearing comes by the Word of God.

When we walk in God's perfect will, we have the Spirit in bountiful supply. We must consistently believe for the overflow of anointing with fresh oil. Believers must pursue the Gospel and potential in Christ far above where they are. Religious works mixed with faith equals failure. However, when we mix our faith with the Word we will see the manifestation of miracles. There is no ceiling to the excellency of God's manifest power. By faith, we can rule and reign full of the Holy Ghost and His Word. We can only limit Him through a lack of faith, prayer, and knowledge of the Word.

The harvest is great and the laborers are few. Anointed men and women of God who understand their authority will bring in the harvest. The only way to do the Word is to meditate upon it, and then decide to act upon it. The Holy Ghost will go to work to supernaturally manifest Himself through the Word. The Holy Ghost is the spiritual pilot within the believer. He is alive to divine truth, which is the Word.

When we are born again, we are born of the Spirit of God. The believer receives power when the Holy Ghost comes upon and immerses him in Holy Ghost and fire. Believers are the temple and housing power of the most high God. Christ in us is the hope of Glory, the anointed one, the miracle worker, and He equips us to do exploits for His kingdom. The Holy Spirit enables us to expect beyond what we think or ask. He verifies, backs up, and performs His Word as we make the necessary deposits and learn to flow with His anointing.

### NOTES

## Lesson 5

### Power and Demonstration of the Holy Ghost Still Small Voice

**Lesson Objective.** To understand the indwelling source of anointing and how to tap into the wellspring to do signs and wonders.

#### **Lesson Overview.**

The Bible says to guard your heart with all diligence for out of it flows all the issues of life. As we stir up ourselves we have a wellspring of life, anointing, and miracle working power. The still small voice is the voice of the Holy Spirit; in fact it is the Spirit of Christ living within the believer. Ephesians 3:20 says that it is the power within us, or the anointing, which is the key to God doing abundantly above what we ask or think. The anointing is recharged through communion with God. The mantle, or anointing, comes to equip us to do our mission. The Word says that steps of a righteous man are ordered of the Lord when the believer is in harmony with the Spirit of God.

Just as the anointing lives within the believer, the believer should dwell in the anointing. The anointing teaches us to grow up in Christ and to put away our childish behavior. To develop your spirit man, you must invest effort into your spiritual growth. The responsibility for maturity lies within yourself. We know we can grow because Christ said that we would do even greater works than He. The milk of the Word refreshes and blesses, but carries no responsibility to grow. It is the meat of the anointed Word which commands you to go forth and do the work of God. It is the anointing within us that causes us to hear His voice. It is the still small voice we hear that leads us to act in faith.

Jesus said out of your belly will flow rivers of living water. As the anointing abides in the believer, the believer ought to continually abide in the anointing. Christ and the anointing are one in the same. The Holy Spirit is committed to leading us into truth and revelation. The anointing has the potential to teach us all spiritual truth. The provisions of Christ through God come through our spirit. The wisdom of God lives in our Spirit by the Spirit of God. Paul said I die daily; I live yet not I, but Christ in me. Fear and doubt, coupled with unforgiveness will short circuit the anointing. The bondage of anxiety, doubt, fear, and hurt, is a wall or veil. A veil is everywhere where the Spirit is not Lord. The Bible says that where the Spirit of the Lord is, there is liberty. When a believer is afraid to open up and loose the wall and defenses, the Spirit can not be Lord. There is no accuracy in the spirit and we can not enter His rest. We faint and become weary in our mind when we do not consider the Spirit of the Lord. The flesh can not manufacture the wisdom or power of God. Revelation will come when the anointing or ministration of God causes the things of God to be seen. Jesus said when the Spirit of truth comes, He shall receive of mine and show it unto you. We have the mind of Christ, and walk in the wisdom of God through the anointing. Just as Jesus walked in and through the anointing, so we also walk with signs and wonders following, as we abide in the anointing.

There are two major keys to victory. First, you must know that you know that you are walking with God. Second, you must actively nurture your relationship with God to hear His still small voice. Faith works by love. You must love the Lord your God with all your heart, with all your soul, and with all your might, and you must love your neighbor as yourself. When you walk in love without ought and condemnation, you will walk in boldness and faith because you will hear God. Miracles will come and go, but it will be your consistency in the Word and developing your spirit man which will take you to new heights in the supernatural.

## **NOTES**

## Lesson 6

### Power for the Hour

**Lesson Objective.** To understand the power you need for today.

**Lesson Overview.**

God has given us the ability and placed an open door for us to reach out and touch souls with the power of the Gospel; the good news of our salvation. In the future, the separation between the powerful and powerless will become more evident. There will always be those who show a form of godliness, but are ignorant of the power in Christ. If we are to do what we are called to do, we need a clear understanding of both the power and its source.

To do God's work on earth, He has provided us with both the dunamis power and the exousia authority. We are more than conquerors even when we don't feel like it because we walk by faith and not by how we feel. However, just because we have the power doesn't mean we are enforcing it. You need one more important ingredient, and that's the anointing. You must be tenacious in your daily pursuit of the anointing. The Psalmist says that you must seek the fresh oil. You can't live today on yesterday's anointing. When you have the fresh oil, God will anoint you to do things that the natural man can't. Today is the day that the Lord has made; so rejoice and be glad in it. Never be satisfied with yesterday's accomplishments. Continue to press toward your high call in Christ Jesus. God wants to take you to the high places as in Habakkuk 3.

You must know what makes you weak and resist it. The Bible says that you hide God's Word in your heart so that you won't sin against Him. Resist the devil and he will flee from you. The devil will do everything he can to mock God's Word and try to put doubt in your mind. If

you waiver, you not only lose the anointing, but you also lose your power and authority. Samson wavered and lost his power; but just as Sampson repented and realized the source of his power, we can do the same thing. When you die to the flesh and the world, the anointing takes over. Sampson rose above his shame; his renewed faith earned him special mention in the book of Hebrews hall of faith. We too can press in for the special anointing we need today, and every day!

## Lesson 7

### Possessing Supernatural Power

**Lesson Objective.** To understand how to operate in supernatural power.

**Lesson Overview.**

The supernatural power of God is available to every believer. To capitalize from the anointing, and to move in this power, one only needs a revelation knowledge of the truth. The power of God is bigger than we can comprehend with our minds. The key to tapping into this power is found in God's Word. The believer must learn to work in cooperation with the anointing, or God's Spirit. The first step is to put a deposit in your spiritual storehouse. The more you deposit His Word in your spirit, and speak and confess in line with His Word, the sooner you will see His supernatural results in your life. The Holy Ghost will take the Word and make it powerful in you until every evil thing that presents itself against obedience and fullness of Christ will depart. The Holy Ghost is the unction, revelation, or force, which manifests the Word in the body. The Word of God moves mountains, casts out devils, and heals the sick. The reason people fall short of possessing supernatural power is because of the sin known as unbelief. Believers must understand that they are not their own, but that they are absolutely possessed by God. Our mind can be used to believe God, or it can be used to doubt God. We limit God when we choose not to act on His Word.

As we know, Christ and the Word are one in the same. Christ is the Anointed One. The Word tells us that we have the mind of Christ. As we act in line with the Word, we are cooperating with the anointing. When we act outside of the Word, we are outside of the anointing, or anti Christ. Therefore, we must choose to walk in the Word and to rebuke those

things which compromise the Word. Possessing supernatural power means cooperating with the anointing through prayer, meditation, and agreement with the Word. Don't look forward to a visitation, or backwards to a memory; look steadfast into the Word for power and miracles.

## Lesson 8

### Power of His Glory

**Lesson Objective.** To understand the power of the anointing.

**Lesson Overview.**

The true anointing, or God's manifest glory, should be most apparent in the church. However, there are too many people in the church today that are not walking in power or liberty. People shy away from God's anointing power because they refuse to break their religious ties. Until these people learn that the Spirit of the Lord brings liberty, they will never be completely free.

The anointing is God's manifest presence. It comes to endorse, to enforce, and to perform. Without it, no great and mighty works can be done. The anointing is truly what separates the Christians who walk in victory from the Christians who live beneath their privileges. The anointing is the agent that God uses to perform miracles and to give us the boldness to preach the Gospel of Christ. It is a gift that belongs to each Christian. Jesus said, the glory which you have given me I have given them; that they may be one, even as we are one. Imagine the power we could have in the body of Christ if we only had a revelation of what is truly available to us. God is as good as we allow the glory to be. If we yield to the anointing, God will manifest Himself.

Once you get a hold of the Word, you will make room in your house for Christ; and He will feel at home. You will be injected with resurrection power into your spirit, soul, and body. Your soul and body will be quickened like your spirit, and the anointing spirit will truly set you free. Once we experience and understand the glory, we will pursue it with all diligence. It is the

agent that brings about miracles, and transforms us into the image of His Son which we are called to conform to. When you meditate on the anointing, the day star will arise in you. When you experience the anointing, you will find the blessings, the glory, and God himself!

## NOTES

## Lesson 9

### Unleash the Power of Faith

**Lesson Objective.** To understand that your ability to do miracles depends on your ability to unleash the power of faith resident within you.

#### Lesson Overview.

The Word of God says that faith without works is dead. To do God's work you must have active faith. I just want to do the Lord's will is not the type of faith that is needed to raise the dead, heal the sick, and cast out devils. Not only must you believe God's Word; you must live it, walk it, speak it, confess it, and testify it. People must believe that you truly represent God before they will allow God to work miracles through you. The problem is not on God's part--it is on ours! We all want God to use us; but are we ready to make the necessary sacrifices? Have we renewed our minds, and are we walking by faith?

You can not walk by faith and be bound by the world or religion. In some cases, they are one in the same. The Word says that the letter kills but the Spirit gives life. The Old Testament was a perfect law given to an imperfect people. It was a school master that had no life or spirit. The best the people could do was to live under a curse. Their sacrifices could clean them on the outside, but could not clean their spirit. It was not until the death and resurrection of Jesus that man could understand his true position and heavenly identity.

The law was performance oriented. Man could only be justified by acts. Then Jesus came, and the Word said that the just shall not live by acts, but by faith. It also said that Jesus is the author and finisher of that faith. In essence, the Word says that you don't have to see it or perform it until you believe it. You only have to believe to receive. It is the Spirit that gives life,

and where the Spirit is, there is liberty. This is the liberty to live free from the curse and to operate in the realm of God's authority and power. Once you know what Christ did for you, and who you are in Him, you will be able to pull the trigger on the inside which releases the power to do miracles. When you operate in this realm, you will raise the dead, heal the sick, and cast out devils.

## **NOTES**

## Lesson 10

### Resurrection--Release Your Faith

**Lesson Objective.** To understand the need to resurrect your faith.

**Lesson Overview.**

The Word says that in the last days perilous times will come and that many will depart from the faith. We are entering into these perilous times. As believers, we must learn to be strong in Him and the power of His might. We can all see people who are walking away because their faith was not built on the solid foundation of God' Word. It is nothing more than seducing spirits which have caused these people to doubt God's Word. Somehow, somewhere, sometime, they were disappointed; and they allowed their faith to wavered. The fact of the matter is that it doesn't change God's Word one bit. God does not lie and He is not a man that He should repent!

As a believer, you can not allow your faith to die. Do not cast away your confidence or you will become weary in well doing. Once that happens your faith can die a slow death. When you finally stop acting in faith, your faith dies. But just as Jesus said, this sickness is not unto death. You must recognize when your faith becomes sick so that you can stop any further deterioration. God has an investment in your faith. You must remember that it is not Got, but a seducing spirit that causes a person to cast away their confidence. You must not forget the benefits of the One who forgives you of your sins and heals you of all your sickness and disease.

Once you recognize that your faith is either sick, or has wavered, you must go back to the initial disappointment which caused the situation. This is the point at which the healing process, or the resurrection of your faith must begin. You must pull the burial stone away! You must trust in the Word. If God says He will deliver you, then He will deliver you. The Word will

never tell you what you want to hear; it will only tell you what you need to hear. When you repent and call upon the Lord, He will resurrect your faith. The resurrection of your faith is what will cause you to walk in the gifts of the spirit which allow you to do God's will on earth!
