Questions:

1. What inanimate object would be the most annoying if it played loud upbeat music while being used?
2. What is currently the biggest hindrance to the relational bandwidth in your life's relationships?
3. Read Hebrews 12:5-8. What does this passage tell you about how we should regard the correction that comes from God (& His Word - The Bible)? Share about how well you tend to receive the correction that comes your way from God & His Word.
4. What can you do to increase your “Relational Currency” or “Relational Bandwidth” with those around you?
