Presbytery Services.**

1) Where is the most memorable place you have ever lived, visited or traveled to?

2) Did you receive something personal (from the ministers or directly from the Holy Spirit) from the prophetic ministry ?

3) Was there anything that was said or done during the services that you didn't understand? Please write it down and share it so we can look for a scriptural answer that will provide clarity.

4) How do you think these prophetic words and preaching may help to build our Church & your personal ministry calling in the coming season?

5) Read 1 Sam. 10:5-11. What does this scripture teach you about how the Spirit of Prophecy can affect or transforms lives? What kind of hope does this bring to you concerning your future and the future of our Church?
